### *Natal Interactions:*

**Conjunction** (0 degrees): Planets work together, and intensify each other. Positive when planets are in harmony

**Sextile** (60 degrees): Planet's concepts and ideas collaborate and work well together. Easy flow of information

**Square** (90 degrees): Creates restrictions and obstacles. Planets push each other to work hard to integrate

**Trine** (120 degrees): Energy flows between planets seamlessly. Brings luck, talents and opportunities.

**Opposition** (180 degrees): Planets are in polarity. Creates deep tension and can lead to frustration when not integrated.
